

JEDIJILL'S AFTER SCHOOL K-3RD AND 4TH-5TH DROID LABS

Jedijill's After School Droid Labs will be open from 3:30 to 4:30 pm and will run from the second week of September through the second week of December.

TUESDAY is open for 10 -- K-3 grade students (no active weapons—we will use flippers and wedges)

THURSDAY is open for 14 -- 4th-5th grade students (we may have to rotate weeks to accommodate more students from these grade levels) Pick-up is in front of the elementary school from 4:30 – 4:40 pm.

Students will build, repair, customize, and compete with a Fingertech "Viper" robot kit.

Each semester the lab fee to use "House Bots" is \$80.00, and the fee is \$40.00 for students who own their kits and gear. All students will help raise funds for their teams to buy robot kits, arena parts, tools, supplies, spare parts, team shirts, etc.

Most students are very hungry by 3:30 pm and are responsible for informing their homeroom teacher on the day they will attend After School Droid Lab. Cadets report to my lab at 3:30 pm, drop off their bags and go to the cafeteria to pick up their snacks, then come back to my lab. Cadets who own their robots may drop off their gear in my lab on that morning after breakfast.

If your child will attend, please complete this form, take a photo or make a copy, and return it to the office before August 26, 2022.

Name/s, relationships (e.g., mom, dad, neighbor), and phone #s of adult contact/s
All persons picking up must have ID and be on the cleared list in the office!:

Email address or Facebook address of the best contact:

Child's Name: _____ Grade _____

Homeroom Teacher and Allergies:

Please note your payment is for the Droid Lab!

I am paying the \$ _____ lab fee by cash, check, or credit card.

Please indicate yes if you need help paying Droid Lab fees and we will enter your child's name for a possible scholarship opportunity.
