

JEDIJILL'S DROID LAB ELECTIVE

6th -12th grade

JediJill's Droid Lab runs in two semesters as 6th and 7th-period electives.

Students will rebuild, repair, customize, and compete with a Fingertech "Viper" robot kit. Each semester the lab fee to use "House Bots" is **\$80.00**. The fee is \$40.00 for students who own Viper robot kits and gear. All students will help raise additional funds for their teams to buy arena parts, tools, supplies, and spares.

We use [Team Witch Doctor's video series](#) to learn how to build our kits and...

“

All students must watch Episode 1, "Getting Started on Your First Robot,"

in full before applying and interviewing for this elective.

”

If your child is accepted for this elective, please complete this form, take a photo or make a copy, and return it to JediJill or the office **before September 1, 2023**.

For tournaments and exhibitions, all people traveling with a student **must** have an ID and be on the cleared list in the office!

Please list the Name/s, relationships (e.g., mom, dad, neighbor), and phone #s of the best adult contact/s.

Email address or Facebook address of the best contact:

Child's Name: _____ Grade _____

Allergies and Homeroom Teacher if known:

Please make payments to Burns Sci-Tech and note that the payment is for the Droid Lab!

I am paying the \$ _____ lab fee by cash, check, or credit card.

Please indicate yes if your family needs help paying the Droid Lab fee, and we will enter your child's name for a possible scholarship opportunity.
