

JEDIJILL'S 6TH -12TH DROID LAB ELECTIVE

JediJill's Droid Lab first semester electives will run during the school day from August – December.

Students will build, repair, customize, and compete with a Fingertech "Viper" robot kit. Each semester the lab fee to use "House Bots" is \$80.00, and the fee is \$40.00 for students who own their kits and gear. All students will help raise funds for their teams to buy robot kits, arena parts, tools, supplies, spare parts, team shirts, etc.

Roboteers who own their robots may drop off their gear in my lab after breakfast on the Monday of the week of their elective.

If your child will take this elective, please complete this form, take a photo or make a copy, and return it to JediJill or the office before August 26, 2022.

Name/s, relationships (e.g., mom, dad, neighbor), and phone #s of adult contact/s
For tournaments and exhibitions, all persons picking up **must** have ID and be on the cleared list in the office!:

Email address or Facebook address of the best contact:

Child's Name: _____ Grade _____
